The Masonite Advantage
• Energy efficiency
• Triple-pane decorative glass
Interior Glass: Clear

• Masonite clear glass is a single pane of tempered glass.

Grilles create divisions
Ex. 1, 9, 10, and 15 lite

One piece of glass is raised or etched, creating depth

Glass panes perform as panels
Interior Glass: Decorative

- Decorative glass is single pane glass.

**Scripted Glass**
(Single pane glass)

Pantry, laundry, wine cellar script created by contrast with frosted glass

**Textured Glass**
(Single pane glass)

Etched, tinted, raised, mirrored, frosted, or laminated glass

- White Laminated
Entry Glass: Clear

- Masonite’s clear glass doors feature insulated, tempered safety glass.

Energy Star rated:
Helps conserve heating and cooling energy costs in the home.

Available designs:
Fanlite, craftsman 6 lite, 9, 10, 12, 15, 18 lite.

Low-E

Grilles (Internal/External)

Available designs:
½ lite, ¾ lite, full lite. Single controller raises lowers and tilts the internal blinds.
Entry Glass: Decorative

Decorative glass enhances the style of the home.

- Variety of shape cutouts and transoms
- Decorative design options
- Triple-pane glass
- Wrought Iron

Decorative panel

Tempered glass

Spacer
Entry Glass: Security

- Masonite’s security glass is a laminated glass that is virtually breakthrough resistant

- This laminated, impact-rated glass is used for security doors as well as doors with hurricane ratings.
The Masonite Advantage

- Energy Efficiency – Low E (clear glass) Provides insulating U-Factor between .20 and .30

- Triple pane glass – (decorative glass) Air pockets between panes of glass create a barrier to heat, cold and moisture.
